Re: Establishing Just and Reasonable Rates for Local Exchange  
Carriers, WC Docket No. 07-135; Developing a Unified  
Inter-Carrier Compensation Regime, CC Docket No. 01-92

Dear Ms. Dortch:

On November 10, 2010, Donna Epps and Chris Miller of Verizon, Robert McKenna of Qwest, Mike Fingerhut of Sprint, Brian Benison of AT&T, David Frankel of ZipDX, and the undersigned, met with Christine Kurth, Legal Advisor to Commissioner McDowell, to urge the Commission to issue an order addressing traffic pumping immediately. They emphasized the continuing and growing cost of this regulatory arbitrage, the competitive harm to legitimate conference calling providers such as ZipDX, the complete and thorough record upon which the Commission should base its decision, and the benefits of addressing this issue prior to tackling comprehensive reform of inter-carrier compensation.

Pursuant to Commission rules, please include a copy of this filing in the above-referenced dockets.

Sincerely,

A handwritten signature in black ink, appearing to read "Glenn Reynolds".
